

Diversity in STEM Talks!

Presented by

**The Diversity Committee of the
Thomas Jefferson High School of
Science and Technology PTSA**

Monday, April 12, 2021, 6:00—6:45 p.m.

For students grades 4-8

**Hear from people working in the Science, Technology,
Engineering and Math (STEM) field!**

**Guest speaker: Julie Ann Sosa, MD, Leon Goldman
MD Distinguished Professor of Surgery and Chair of
the Department of Surgery at the University of
California San Francisco**

**Join us to hear more about a career in medicine and Dr. Sosa's experience as
a surgeon, professor, and now administrator in a large teaching hospital.**

- **What sparked her interest in medicine?**
- **What does she enjoy most about practicing medicine?**
- **What would she recommend to students who want to pursue a medical career?**
- **What else would you like to know?**
